SKILLS

- **Programming :**
Python, Java, SQL
- **Web Development :**
HTML, CSS, JavaScript,
Next.js, Django
- **Databases :**
PostgreSQL, MySQL
- **Software Development**
REST API, CRUD operations
- **Version Control :**
Git, GitHub
- **Soft Skill :**
Adaptability & Quick
Learning , Time Management

LANGUAGES

- English
- Hindi
- Marathi

PROFILE

"Results-driven Computer Science Engineering student with a solid foundation in Python, SQL, and full-stack web development. Proficient in building scalable REST APIs using Next.js (frontend) and Django (backend). Successfully completed an internship at Elite Softwares, gaining hands-on experience in web development, SDLC, and database management. Passionate about problem-solving, software engineering, and continuously improving DSA skills to excel in coding interviews and real-world applications."

INTERNSHIP

Elite Softwares

JAN 2024

Intern

- Developed the E-commerce Website using Django, ensuring seamless backend functionality.
- Implemented an intuitive user interface with HTML, CSS, and JavaScript.
- Designed a structured MySQL database and optimized API interactions for efficient data management.

PROJECTS

E-commerce Website

- Simple and user-friendly interface.
- A basic shopping website using Django and HTML/CSS.
- Allows users to view products and add them to a cart.

Portfolio Website

- A simple website to showcase projects and skills.
- Built using HTML, CSS, and JavaScript.
- Includes sections like About Me, Projects, and Contact.

EDUCATION

Dr. D. Y. Patil Educational Federation

2021 - 2025

B.E. - Computer Science & Engineering

CGPA: 8.20 / 10.0

GSG College Umarkhed

2021

12th | MSBSHSE

Percentage: 90 / 100

Gurudev Goroba Vidyalay, Umarkhed

2019

10th | MSBSHSE

Percentage: 80 / 100
